# COMPARE THE RECORD

The following information is presented in the interest of an informed electorate, and more particularly for the benefit of the newer residents of Torrance who might otherwise be unaware of the facts.

## POLITICAL OPPONENT -- DRALE

OCCUPATION: REAL ESTATE & INSURANCE

- CONFLICT OF INTEREST . . . Official records prove that he voted on real estate tracts in which he had a financial interest. (Tract Map. No. 19835).
- CONFLICT OF INTEREST . . . His record in office shows that he favored the interest of subdividers in rezoning industrial property for tract use. He helped create congested areas by his vote on variances for apartment houses, IGNORING THE PROTESTS OF HOMEOWNERS.
- He gave a deceptive occupation classification for the election ballot, substituting "Real Estate Management" for "Real Estate and Insurance." This was evidently an attempt to conceal his CONFLICT-OF-INTEREST background. See below:

\_\_\_\_\_ ; that I will accept the office in the event of my election, that I desire

my name to appear on the ballot as follows:

NICKOLAS (Nick) DRALE  
(Print name above)

and that I desire the following designation to appear on the ballot under my name:

Real Estate MANAGEMENT  
(Print desired occupational designation above.)

(PORTION OF PHOTO COPY OF SWORN AFFIDAVIT SHOWING SUBSTITUTION)

- Although soundly defeated the last three times he ran for office, he is now running again, this time as a puppet for the powerful RUBBISH INTERESTS who are pouring thousands of dollars into his campaign. Their objective is to secure control and monopoly of residential rubbish collection. Then watch the rates go up!
- Voted against ordinance controlling BILLBOARDS.
- Voted against ordinance aimed at wiping out RABIES.

## MAYOR ALBERT ISEN INCUMBENT

OCCUPATION: ATTORNEY AT LAW

- CONDUCTED over 600 council meetings, constantly streamlining procedures to increase efficiency and eliminate red tape.
- MADE literally thousands of public appearances on his own time, including speaking engagements, ground-breakings, ribbon-cuttings, grand openings, charity fund-raising drives and civic functions on city, county and state levels.
- INTRODUCED constructive legislation covering all important areas of municipal development.
- FOUGHT adverse interests continuously, year after year, to maintain a fair balance of industrial, commercial and residential zoning.
- WAS INSTRUMENTAL in bringing many Blue Chip industries and large regional shopping centers to Torrance.
- HELD THE LINE on tax rate despite a great increase in municipal services.
- FIRMLY OPPOSED THE TAKEOVER OF RESIDENTIAL RUBBISH COLLECTION by private firms to prevent a monopoly and future unreasonable raises in rates.
- ESTABLISHED annual Junior Citizens' Day.
- ESTABLISHED annual Armed Forces Day.
- ESTABLISHED annual Airport Day.
- ESTABLISHED Civil Defense and Disaster Commission.
- ESTABLISHED Traffic Safety Council.
- ESTABLISHED City Beautiful Commission.
- ORGANIZED Committee for Decent Literature and ESTABLISHED Youth Welfare Commission.
- INTRODUCED ordinance and led drive to ban sale of obscene magazines and horror and crime comic books.
- INTRODUCED ordinance and charter amendment (Proposition "C" on your ballot) outlawing "TOPLESS" waitresses. Please vote "YES" on this amendment which prohibits public indecent exposure.
